Dear Sibylla,

This is just a short note to thank you so much for your compassion, courtesy, & thoroughness. I'm so very grateful for your guidance. Though challenging, the trust experiences were rewarding in many ways.

Both Bob and I could not be more pleased to have chosen you as our attorney. It has been a pleasure to have worked with you.

Thanks again for your efforts on my behalf and family. And also my sincere thanks to your staff as well, especially Jennifer and Eric.

Most Sincerely,
