Sibylle Grebe
3424 W. Carson Street, Suite 320
Torrance, CA 90503-5717

Dear Sibylle:

My sister, Beth and I would like to thank you for your help handling the estate of my late Uncle, William Adams. You have made the process much easier for both my sister and I to work through.

I hope your office enjoys some of the organic apples we grow on our farm here in New York. I know it's not much, but I hope you enjoy them.

Kind Regards
